## Full Nothing

### Somewhere and Nowhere

### **"Somewhere and Nowhere"**

is the second **Full Nothing** release and includes 12 new tracks composed by *Nicolás Marcos* and produced by *Guillermo De Medio*.

The songs explore **Alternative Metal, Dark Rock and Metalcore** sounds combining orchestral, organic and electronic textures, which along with the melodies brings an unique sound and identity to the album.

The strings arrangements were performed by the **Bratislava Symphony Orchestra** and recorded at the **Slovak Radio Theater, Bratislava (Slovakia)** making the orchestral texture one of the highlights of **"Somewhere and Nowhere"**.

The album was mixed by **David Castillo** at **Studio Grondahl (Sweden)** and Mastered by **Ted Jensen** at **Sterling Studios (USA)** and it features: **Mats Leven, Mark Hampson and Steve Glasford** as guest vocalists.
